### **Applicants Needed On County Committee To Finish Unexpired Term**

SAN BERNARDINO – The San Bernardino County Committee on School District Organization is seeking applicants to finish out two years of an unexpired term in the Fifth Supervisorial District that extends from the cities of San Bernardino to Fontana.

Applicants, who must be registered voters in the Fifth Supervisorial District, need to apply by Oct. 14 at 4 p.m. Interviews for the position are planned for Oct. 21. County Committee members cannot be employed by a school district in any county, community college district or county superintendent office.

The 11-member committee deals with school district organization issues, including number of trustees, trustee and school district boundary areas, and unification.

The Fifth Supervisorial District includes the cities of Colton, Fontana, Rialto, and San Bernardino and the unincorporated communities of Bloomington, El Rancho Verde, Glen Helen, Arrowhead Farms and Muscoy. The County Committee on School District Organization makes the appointment, not the County Board of Supervisors.

The interest form for applying for the committee position can be downloaded from the County Committee site <http://www.sbcss.k12.ca.us/index.php/governance/county-committee-on-school-district-organization>
